LOT 147 - Set of Three Decorative Angel Figurines

Description

This set includes three decorative angel figurines crafted with intricately designed clothing and detailed wings. Each angel is made of a combination of materials, including fabric and resin, to give a lifelike appearance. The attire features a variety of colors and ornamentation, showcasing luxurious gowns and traditional angelic features. The figurines vary in size, offering a dynamic display when arranged

together. Condition is overall good with minor wear consistent with age. These angels make a striking addition to holiday or spiritual decor, suitable for mantels or displays.
