

Sale Name: 1/6/25 - Combined Estate & Consignment Auction

LOT 149 - Vintage Marine Brass Compass with Box

Description

Antique marine compass featuring a brass bezel and a clear glass face, housed in a sturdy wooden box. The compass face includes marked degrees for navigation, designed for precise directional readings. The compass fits snugly inside its original red wooden box, which shows signs of wear consistent with age. Ideal for nautical enthusiasts, collectors, or maritime decorators. The condition of the glass and

markings is fair, with visible signs of usage. The box provides secure storage, with a latch for closure. Dimensions of the box offer a compact storage solution while maintaining historical integrity.
