

Sale Name: 1/6/25 - Combined Estate & Consignment Auction

LOT 412 - Vintage Valvoline Grease and Citgo Oil Collection

Description

A collection of vintage automotive products including six tubes of Valvoline Multi-Lube Lithium EP Grease, part no. 609, each with a net weight of 400 grams (14.1 oz), and one Citgo All Season 10W-40 Motor Oil container. These items show signs of age and storage wear, making them suitable for collectors of vintage automotive items or displays. The Valvoline grease tubes are designed for extreme pressure applications.

The Citgo oil container promotes fuel savings, reflecting older automotive maintenance marketing strategies. Ideal for enthusiasts interested in automotive history, these items provide a glimpse into past lubrication technology.
