LOT 296 - Vintage Train Set with Tracks, Signs, and Building

Description

Vintage train set includes a metal locomotive, curved and straight tracks, signs, and a model building with a red roof and painted brick design. The locomotive and tracks are made of metal with visible wear and signs of age. Accessories include a fence piece and four metal signs, including one marked 'RAILROAD CROSSING'. The model building features painted windows and a textured roof, with a small chimney on top. Items show rust, patina, and signs of use, consistent with age. Sold as is.
