LOT 158 - Nespresso Pixie Espresso Maker Set

Description

Nespresso Pixie espresso maker set includes a Nespresso Pixie machine in black and silver finish, an Aeroccino milk frother for creating creamy milk-based beverages, and a metal rotating pod storage rack. The Pixie machine is designed for single-serve espresso or lungo preparation, compatible with Nespresso pods. The Aeroccino frother features a sleek metal design for heating and frothing milk easily, with interior

markings for milk level. The metal pod rack rotates smoothly for convenient capsule storage. Items show light wear, suggesting prior use. Dimensions are not specified.
